ACADEMY MAIL-IN PORTFOLIO

All work must be 8.5" x 11" with your full name (preferred name and last name) on the back of each piece.

For the submission deadline and mailing address, visit scgsah.org/summer-programs/visual-arts-summer-programs and look under "Academy Application."

Collage

Create one 8.5" x 11" collage that clearly represents something you have read about or learned in school.

A collage is a two-dimensional composition made of different materials attached to a surface. Use cut out text (words) and images in your collage; do not simply draw a variety of images on the page. On the back, write three (3) sentences about the academic connection.

Pencil Drawing

Create one 8.5" x 11" drawing of two unrelated objects using a No. 2 pencil (no colored pencils). This should be drawn from direct observation, not from a photograph, memory, or your imagination.

- Draw your selected objects as you have arranged them in front of you. (The surface on which your objects are placed does not count as one of the two objects and should be included in your drawing.)
- Ask yourself how your objects are or are not related. Beware of pairs that seem unrelated but actually have a strong connection – a hat and a shoe are both worn on the body; a shoe and a pencil sharpener, as an example, might be a better choice.
