

Summer Application Tutorial

Completing Your Governor's School Application

The application is divided into two general parts: 1 - Information you keep, which contains audition and application information, and 2 - Information you submit to the Office of Admissions.

1. The Information You Keep

The front cover of the Summer Programs application booklet contains useful information about the programs offered, the dates of the programs, tuition cost and financial aid. The Application Due Date, an Application Checklist, the Admissions Office mailing address and Audition information is also listed. The pages that follow outline Application and Audition requirements for each art area. Pay close attention to any Application requirements; these materials will need to be submitted with the Application.

2. The Information You Submit

The following should be submitted for a complete Summer Program Application:

- **Summer Application, Pages 1 & 2** – Fill this out in its entirety and be sure it contains the applicant signature and the parent/guardian signature at the bottom of the second page. Also, be sure to specify the Summer Program you are applying for, the Art Area you are pursuing and the Preferred Audition Date (see the top of Page 1).
- **Arts Recommendation** – Seek an Arts Recommendation from a teacher in your art area of interest. If there is not a teacher for the art area you are applying for, give it to someone who can validate your talent in that area. The Arts Recommendation can be returned to the applicant in a sealed envelope, or mailed directly to the Admissions office. A separate letter of recommendation is not needed.
- **Academic Recommendation** – Seek an Academic Recommendation from an academic subject teacher or Guidance Counselor. Applicants are asked to have at least a “C” average to apply. The Academic Recommendation can be returned to the applicant in a sealed envelope, or mailed directly to the Admissions office. A separate letter of recommendation is not needed.
- **Application Fee / Application Fee Waiver** – There is a \$25 Application Fee for Summer Programs. Applicants with financial need may submit the Application Fee Waiver form (included in the application booklet) in lieu of the application fee.
- **Music Repertoire Sheet** – For Music applicants only.
- **Most Recent Report Card** – Applicants are asked to have at least a “C” average to apply.
- **Recent 2”x 2.5” Photo** – Submit a recent, 2”x 2.5” photo.
- **Art Area Requirements** – Refer to the first few pages of the Application booklet for required materials to be submitted with your application.
