## Early Decision

Your completed application must be received by October 16, 2020.

All applicants will upload an audition video to their online application.

Some applicants will be invited to an interview via Zoom. An interview invitation does not mean you were denied or accepted into the program. Interviews will be held in the afternoon of Saturday, November 7, and information regarding interviews will be communicated in early November.

Decisions letters for Early Decision Dance will be emailed by November 30, 2020. Applicants will either be accepted, deferred (*see Early Decision - Deferred*), or denied.

If you are accepted to the program, a \$150 non-refundable deposit must be received no later than January 6, 2021 in order to hold your place.

## Early Decision - Deferred

Some Early Decision applicants will be deferred during the decision process meaning the final admission decision has been postponed (or deferred) until the Regular Decision process in February. Deferred applicants may be asked to re-audition during the regular decision auditions.

Deferred does not mean denied.

Applicants who are deferred will either be accepted or wait listed during Regular Decision.

Deferred students will not be required to audition again. Applications and audition results of deferred students will automatically be considered with the Regular Decision pool of applicants.

Decision letters for students who are deferred will be emailed by April 1, 2021.

If you are accepted to the program, a \$150 non-refundable deposit must be received no later than April 16, 2021 in order to hold your place.

## Regular Decision

Very few spaces will be available during the Regular Decision process. Students are strongly encouraged to apply for Early Decision.
