EVENT DESCRIPTION

Join the SC Governor's School for the Arts and Humanities Foundation for Arts Escape, a hands-on master class designed for non-artists to create a piece of art and learn more about the Govie experience.

Come and share a fun evening of refreshments and learning with friends, clients, or colleagues while benefiting the Governor's School.

Each partner can choose from two ways to participate in Arts Escape:

- Attend the in-person event in Greenville
- Attend the virtual event from anywhere

Expected attendees in person: 50
Expected attendees virtually: 200

The Governor's School Foundation raises donations to increase access to the school for students who need financial support, aid the school's efforts to provide arts education in under-resourced counties, and bridge the gap between state funding and the unique needs of South Carolina's premier public arts school.
