Summer MEDICATION REGISTRY 2024

Student:

Last	First	Middle	Preferred

Permission/Authorization for Prescription Medications to be given at school

Medication	Dose	Frequency	Parent/Guardian's Initial	Physician's Initial

I give permission for my child to be given the above medication as prescribed. I give permission for the school nurse or a school administrator to contact the health care provider named above or the pharmacist who filled the prescription to discuss this medication and my child's health. I give permission for the health care provider named above, the pharmacist, and/or their designated employees to provide information about this medication and my child's health to the school nurse or school administrator. I understand that I am responsible for notifying the school if my child's medications change in any way. I understand this medication must be kept in the SCGSAH Health Office. **Note: Please contact the school nurse for a self-administration permission form for birth control pills, asthma inhalers, insulin and EpiPens.**
